

Tall Oaks Presents

For the Birds!

Tuesday, February 4 • 2:30 PM

Come spend an exciting afternoon with an expert in natural history.

In this **fun, interactive** event, residents and guest will learn about every aspect of our local birds, including bird songs, flight patterns, physical appearance, and migration patterns.

You don't want to miss this extraordinary opportunity to design and create your own unique bird feeder.

Contact our Activities Department at 703-834-9800 for more information.
