JANUARY PROGRAM

How Lifelong Personality Traits & Preferences Affect Dementia Care

Monday, January 27 • 6:00 - 7:00 pm

Join us for this webinar presented by **Teepa Snow**, one of the world's leading advocates and educators for anyone living with dementia. Learn to understand how personality traits determine our choices, behaviors, reactions, and responses.

Teepa has developed the GEMS® dementia classification model and the Positive Approach® to Care training strategies. An occupational therapist with 40 years of clinical and academic experience, she will share her humor and valuable expertise.

The interactive session will provide guests with valuable insight into the behaviors of themselves and those they care for and work with!
