

FREE VIRTUAL EDUCATION PROGRAM

Mental Health in the Elderly

THURSDAY, NOVEMBER 12
10:00 AM

This virtual presentation will help individuals to identify the signs of clinical depression and anxiety in elders. It will also bring to awareness the high numbers of suicide in elders, especially males, and discuss how to prevent suicide in this high risk population.

Presented by **Amanda LaRose** (pictured above), a Licensed Clinical Social Work Therapist and Certified Advanced Social Work Case Manager. She has experience counseling adults of all ages, families, and caregivers. She is the Owner of We Care Management, LLC, established in 2016, offering Care Management and Counseling for adults in Northern Virginia.

This is an ONLINE presentation hosted via Zoom.
