

Everything You Need to KNOW

A Public Health Service & Educational Series
Provided by Tall Oaks Assisted Living

Advancing the Science: The Latest in Alzheimer's & Dementia Research

A virtual event hosted by Tall Oaks and the Positive Aging Sourcebook

Thursday, October 14 • 12 PM - 1 PM

Presented by **Ana Maria Nelson, Vice President of Programs & Services at Alzheimer's Association National Capital Area Chapter**

Join us to learn more about:

- The landscape of Alzheimer's disease and dementia science
- Risk factors for Alzheimer's and all other dementia
- Highlights in early detection and diagnosis
- The latest treatments, including the promising drug, ADUHELM™

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support, and research. As the largest nonprofit funder of Alzheimer's research, the Association is committed to accelerating the global progress of new treatments, preventions, and ultimately, a cure.

Guest Presenter:
ANA MARIA NELSON

Door prizes will be given to two lucky attendees: a three-course dinner for two, expertly prepared by Tall Oaks Chef Cheryl Beckwith.

This online event is free and open to the public.

Advance registration is required!
